TIPS FOR A SUCCESSFUL FUNDRAISER

Deciding to host a Community Based Fundraiser for The Gathering Place is a huge accomplishment in itself - thank you! Here are some tips to help you get started:

ASK FRIENDS & FAMILY FOR HELP!

Encourage your friends and family to join your fundraising efforts and contribute! They can brainstorm creative ideas with you, help divide the work and add more fun to your fundraiser.

DEVELOP A BUDGET!

In the early stages of planning, you will want to identify your expenses and potential sources of income and donations. You will want to set a fundraising goal for your event!

KEEP EXPENSES LOW!

A great way to increase the amount of money you raise at an event is to limit the amount of money you spend. Keep your event expenses low by asking people to donate or discount event-related expenses including: venue rental fees, entertainment, decorations, food and beverage. Ask for donated auction items and raffles prizes.

MARKET & PROMOTE YOUR EVENT!

Get others excited about your event! Much of your success will depend on how well you spread the word about your event and the number of people you invite. How you plan to engage participants is a BIG question you need to ask. The more way you can get the word out, the better!

We will help you promote your event by:

- Use of approved logo
- Flyer template with agency logo
- If scheduling permits, agency representation may be available for the event
- Customize online donation page for fundraising event
- Inclusion in social media posts and email blasts to agency supporters
- Provide approved graphics and videos, sample social media posts (see below), fundraising sample letter, media release template, etc.
