

Program Staff: Mental Health Clinician

The Gathering Place is a non-profit community-based cancer center located in Cleveland Ohio that supports, educates, and empowers individuals and families currently coping with the impact of cancer through programs and services provided free of charge. We are seeking an Ohio-based licensed mental health professional to assist in the development and implementation of programs and services addressing psychosocial support for individuals and families.

Job Summary:

- Responsible for assisting in the development and implementation of programs and services addressing mental health support for individuals and families coping with the impact of cancer in their lives.

Key Responsibilities:

- Contributes to the implementation of the components of the comprehensive organizational strategic plan.
- Participates in programming for adults and children as appropriate.
- Serves as a mental health clinical facilitator for program components.
- Provides direct one-to-one and group mental health clinical services.
- Makes appropriate referrals to community resources and therapists.
- Creates and implements innovative programming.
- Participates in volunteer training and activities.
- Participates in training of students and interns.
- Participates in research, as appropriate.
- Represents TGP (The Gathering Place) in public relations, community outreach, and marketing activities as appropriate.
- Seeks opportunities for professional presentations/publications.
- Serves on TGP committees, as appropriate.
- Implements and supervises special programs as assigned.
- Maintains records and statistics of participant activities.
- Participates in twice-monthly peer supervision.
- Participates in staff meetings.
- Contributes to Staff Communique.
- Attends special events as appropriate.
- Participates in continuing educational activities for personal and professional growth.
- Participates in staff meetings.
- Good steward of TGP resources.
