COMMUNITY CHECK-IN *with* SYDNEY BEEMAN

TGP continues to deepen and reinvigorate partnerships in the City of Cleveland. The last quarter proved to be very busy for us. Our Inaugural Minority Community Health Fair was a success! A huge thank you to all of our staff, volunteers, and vendors who helped us to reach our goal of educating the community. Sydney has been working with various organizations in the community such as Antioch Baptist Church, Thea Bowman Center, and Cleveland Public Library as well as the Alpha Kappa Alpha and Delta Sigma Theta Sororities. The summer months should prove fruitful to continue spreading cancer awareness and support in the community.

Looking forward to growing together!

Peace, *Sydney*

WHAT'S HAPPENING IN THE COMMUNITY THIS QUARTER?

LGBTQ+

Our LGBTQ+ Drop-In Virtual group is the 3rd Thursday of every month at 12:00pm. The Drop-In group is a space for those in the LGBTQ+ community with a cancer diagnosis and/or their care person to drop-in to gain support and chat about their experiences. We will continue to do our part to decrease health disparities by working with LGBTQ+ informed, affirming, and allied organizations to provide awareness and resources and to meet the needs of the community.

Friday, August 25th at 12:00pm we will be touring the Community Art Center and will be guided through an art project. Join us!

Please contact Brittani Davis at davis@touchedbycancer.org or 216-455-1528 if you have ideas about programming you would like to see or have interest in collaborating.

MetroHealth and TGP are now working together to provide services at the MetroHealth Cancer Center. This will open doors for those unable to visit one of the TGP offices and give the opportunity to receive support and build community while dealing with a cancer diagnosis. We have a monthly Breast Cancer Series program. Please know you do not have to be a MetroHealth patient to attend.

Please contact Brittani Davis for more information.

STAY TUNED!

Please be on the lookout for TGP in the Community updates and different ways to find us by keeping an eye on your emails for our newsletters and checking our website touchedbycancer.org. Connect with us anytime by reaching out to Sydney at beeman@touchedbycancer.org or 216-455-1520. Remember, you can contact Sydney to talk with your organization about cancer education and awareness or simply to learn more about what services we have to offer. Thank you for your continued support and we look forward to hearing from you soon!
