

Spring 2023

APRIL • MAY • JUNE

WELCOME!

New to The Gathering Place? Start here!
Meet with a Participant Navigator anytime
to explore our FREE programs and services.

**VIRTUAL WELCOMING ORIENTATION IS
EVERY MONDAY AT 6:30PM**

**DROP-IN FROM 9:00AM-1:00PM
ON THE 2ND SAT AT TGP EAST
AND THE 3RD SAT AT TGP WEST**

Call 216-455-1507 to schedule an
in-person Welcoming Orientation.

The Gathering Place's mission is to provide a caring community
that supports, educates and empowers individuals and families currently
coping with the impact of cancer through programs and services
provided free of charge.

The Spring quarter at The Gathering Place (TGP) proves to be an exciting one. You'll see Cooking Classes, programs on Chemo brain and The Health Benefits of Nature, to name a few. Many of our programs and services are once again offered in person. Although joining programs virtually is still a viable option for many of our participants, we definitely see that the sense of community and ease of communication are some of the many benefits our participants experience when meeting in person.

In addition to the innovative programming we've always offered, we're excited to expand our Program Guide to include **TGP in the Community**. Please see the insert; it highlights programs during Minority Health Month and National Black Family Cancer Awareness Week, programs with MetroHealth Medical Center, the LGBTQ+ community and more. This quarter also brings us our largest annual fundraising event, Race for the Place. Join us on Sunday, June 4th at 8:45am at Beachwood Place as we celebrate National Cancer Survivors Day and raise money to keep the programs and services at The Gathering Place free of charge. We couldn't do it without your help. Without you, there is no us.

warm regards,
MICHELE SEYRANIAN

Clinical Staff unavailable today due to clinical retreat

On Sunday, June 4, thousands of residents throughout the Cleveland area will head over to Beachwood Place for the 23rd annual Race for the Place. In celebration of National Cancer Survivors Day, participants can help raise funds to support those impacted by cancer in our local communities. Registrants are welcome to either walk or run the one mile or 5K, which will be chip timed.

"Each year, we are greatly inspired to see such strong community support for our organization," said Michele Seyranian, CEO of The Gathering Place. "It is because of their generosity and dedication that we can continue to help everyone who walks through our doors as they face a life altering cancer diagnosis. We are especially thankful to be able to gather in person this year as the energy from the event is contagious and provides such wonderful opportunities for connection."

This year's event is expected to draw more than 3,500 participants and net over \$350,000 in proceeds, which will help fund the free services offered at The Gathering Place, including support groups, children's programming, art therapy, nutrition and exercise classes, education and more.

The race starts, rain or shine, at Beachwood Place at 9 a.m. on the upper-level parking deck between Nordstrom and Dillard's, 26300 Cedar Road, Beachwood. A National Cancer Survivors Day ceremony begins at 8:45 a.m., with family activities including face painting, games, music and more all held in Celebration Village beginning at 8 a.m. An award ceremony will take place at 10:30 a.m., recognizing top teams.

Community members can register individually or as teams online at racefortheplace.org, by calling the organization at **216.595.9546** or by visiting the organization at either its Beachwood or Westlake facility.

TGP's Home Furnishings Warehouse Resale Shops conduct monthly sales in Warrensville Heights and our expanded space across from our TGP office in Westlake. Our volunteers make this all possible by donating time their time and effort. The resale shops rely solely on donated pre-loved, high-quality items for us to resell. The proceeds collected during our sales benefit The Gathering Place's mission.

Thanks to our very generous community, merchandise is always changing, and every shopping experience is incredibly unique. Visit one of our two locations in Warrensville Heights and Westlake to see our exceptional selection of resale furnishings.
