Thanks for expressing an interest in volunteering at The Gathering Place, a caring community for those currently coping with the impact of cancer in their daily lives. We appreciate your support and willingness to give your time and energy to us, as we know how busy a teenager’s schedule can be!

The areas where teenagers can be of assistance are listed below. A short description of the responsibilities should help you decide what works best for you. Feel free to select more than one area. You are welcome to share this information with a friend so you can volunteer with someone you know.

_____ Childcare – (Ages 13 and older) Adults who attend our programs are often in need of childcare and bring children who range in age from infants to school age children. Our playroom is fully equipped with activities and games for kids and we are always looking for teenagers who like to work with children.

_____ Summer Animal Camp – (Ages 18 and older) Work alongside our staff in our week-long Animal Camp for children ages 6-12. There are 5 separate, week-long sessions; a minimum of 3 days per week is required.

_____ Race for the Place – Each year we sponsor a run/walk in honor of National Cancer Survivors Day, which is always the first Sunday in June. Teen volunteers are needed to support the race by forming teams, distributing posters, helping along the race route or helping with children’s activities in Celebration Village.

_____ Special Events/Projects – Throughout the year we have events/projects that teens can help with, including our December Holiday Party. Specific responsibilities vary, but include helping with refreshments, decorations, art projects and children’s activities.
