TGP IN CLE

As we gear up for the summer season, we are excited to announce the addition of our brand new mobile unit, HOPE-

Healing
Opportunities
Peace
Empowerment

Our newest staff member, Shermelle Schaffer, will work closely with the outreach team to expand our reach and impact by bringing HOPE to community residents near and far, who may otherwise not be able to access our four walls. We look forward to deepening our partnership within the city of Cleveland and with hospital partners' satellite office locations.

Organizations interested in scheduling a visit from our mobile unit may contact Shermelle at schaffer@touchedbycancer.org or 216-455-1501.

Otherwise, keep a look out for us on the road!

Peace & Blessings, Sydney Roberts
